Hello Steven...and Gladys,

It is Fred Newman...I hope that all is well. I tried to call (718-268-2870) a few times last week and kept getting a message: "Sorry, you can't leave a message now, try again later."

I wanted to thank you for sending Don to take pictures at the Lincoln Alumni Homecoming on May 2, 2010. As usual, he did an outstanding job. Not only does he take good photos, but he always makes the Alumni feel "at home." Once again, thank you for helping to make this special day that much more special!

The Alumni Association office(at Lincoln)phone number is [REDACTED]...I am usually there after 12:30pm (I try not to go in on Mondays and Fridays) and my cell phone number is [REDACTED]

Take care...Fred :-)
