Dear Steven:

On behalf of the Townsend Harris High School, *Crimson & Gold*, yearbook staff, I would like to extend our appreciation to you and your photography studio for the valuable assistance we received in publishing the 2007 *Along the Way* yearbook.

Please accept the enclosed copy of the yearbook as our thanks for the photographic work produced by your company. Without your photographers and the staff at the studio, the publishing of *Along the Way* could not have been completed.

Thank you again for your professionalism and unwavering assistance to our school's yearbook publication.

Sincerely,
